

How to come to Produce Green Foundation

1. By Chartered Bus

Find Sha Tau Kok Road first. Then after 3 to 5 minutes entering the Sha Tau Kok Road, turn right to the Lau Shui Heung Road. Go upwards and stop when meeting a roundabout at the top of the road. Participants may get off and follow the sign to turn right. After 3 minutes walk, go down the steps on the left, and you will arrive at the farm in 2 minutes.

2. By Green Maxi cab

Take a Green Maxicab going to “Hok Tau” outside the Fanling KCR Station. The Maxicab will leave at every 00, 20 and 40 minute of an hour. The route will take about 15 to 20 minutes. Tell the driver to get off at the roundabout of the top of the Lau Shui Heung Road. After getting off, follow the sign and turn right 3 minutes later, go down the steps on the left, and you will arrive at the farm in 2 minutes.

3. By Taxi

Get a taxi outside the Fanling KCR Station. Tell the taxi driver to get off at the Hok Tau Produce Green farm. The route will take about 15 to 20 minutes. After getting off, go down the steps on the left, and you will arrive at the farm in 2 minutes.

4. By Car

Follow the Tolo Harbour Highway to go north. Leave the highway at Fanling exit. Then find the Sha Tau Kok Road. After 3 to 5 minutes entering the Sha Tau Kok Road, turn right to the Lau Shui Heung Road. Go upwards and turn right at the roundabout at the top of the road. Look for a big sign (3' x 4') of the Produce Green Foundation by a downwards steps on the right. Stop and park the car along the verge when you see the sign. Go down the steps and you will arrive at the farm in 2 minutes.

Special Notes:

- (1) To avoid disturb the villages; please do not take the route via the Hok Tau Village.
- (2) Due to lacking of parking space, we highly recommend you to take public transportation.
